

Captain's Grill-Swing
Original by STERNOBERG from Estonia

Product has the design patent!

Like a Captain on the sea – it's your ship on the land:

**The large roof protects from the burning sun or pouring rain
 Feel the groove – just push the floor with the feet to start swinging
 The grill and drinks are just at hand**

ALL IN ONE: garden furniture, swing, floor, roof, foundation, hooks to stop swinging, grill holder with firebasket, flower baskets, bottle holders, chandelier and a bell with bottle opener, wood protected with Remmers HK Lasur.

EASY TO ASSEMBLY, do not need construction permission! Includes a detailed installation manual.
